Re: *City of Providence, et al. v. BATS Global Markets, Inc., et al.*, No. 14-cv-02811: Plaintiffs'  
Omnibus Letter Motion for Leave to File Under Seal

Dear Judge Furman:

We write pursuant to Section 7(c) of Your Honor's Individual Rules of Practice to respectfully seek leave to file under seal certain materials in connection with the following forthcoming memoranda, which are due to be filed today, September 17, 2021.:

- Plaintiffs' reply in further support of Plaintiffs' motion for class certification,
- Plaintiffs' opposition to Defendants' motion to exclude the opinions and testimony of David Lauer, and
- Plaintiffs' opposition to Defendants' motion to exclude the opinions and testimony of John D. Finnerty.

The proposed filings include exhibits filed in support of the briefs, expert reports, and a significant amount of information designated by one or more Defendants as Confidential or Highly Confidential under the Protective Order (ECF No. 402). Accordingly, consistent with prior sealing motions, Plaintiffs respectfully request that the Court temporarily authorize the filing under seal of the confidential materials and Plaintiffs' papers.

Plaintiffs intend to file a public, redacted version of the briefs and certain supporting materials that are not confidential.
